

PROVIDED WITH EVERY INDEPENDENT PBM REVIEW

Independence Attestation

Prescription Benefit Solutions attests, for this engagement and as a standing matter, to the five criteria of The Standards for Independent PBM Review.

PROVIDED TO (CLIENT / PLAN SPONSOR)	ENGAGEMENT	DATE

Prescription Benefit Solutions attests, for this engagement and as a standing matter:

- 1

We accept no compensation, directly or indirectly, from any pharmacy benefit manager: no consulting fees, no data fees, no rebate-aggregation participation, no implementation allowances.
- 2

We are not owned by, and do not own, any brokerage, carrier, PBM, or vendor whose economics are affected by this review's findings.
- 3

Our compensation for this engagement does not depend on which PBM, carrier, or vendor your plan selects.
- 4

Our complete compensation for this engagement, and its source, is disclosed in our engagement agreement.
- 5

Our complete findings, including anything unfavorable to any incumbent vendor or advisor, are delivered to you without filtering by any third party.

These are the five criteria of **The Standards for Independent PBM Review** (www.rxbs.org/standards), which we publish and hold ourselves to.
